Holiday On Ice Thank You!

Thank you to all the skaters for the wonderful performance at the 15th Annual Holiday On Ice Recital that was held on December 6th at Wilson Arena. We hope all the skaters had fun showing what they have learned in classes and lessons. And finally thank you to all those who attended, it was great to have you there showing support for the skaters.

Schedule Changes

Please watch the calendars closely from month to month for changes. Changes do occur from time to time. If there are sudden changes in a schedule the changes will be posted on the club's bulletin board.

Rink Closing Due to Bad Weather

If school closes due to bad weather, assume that the rinks will also be closed and that there will be no competitive training or classes those evenings. If adverse weather starts while at the rink, the arena manager will use his discretion to close the rinks.
